

# Our Neighborhood Nation

## *2015 Impact Report*

*We are passionate about helping people live better - one neighborhood at a time.*

### *Dear Neighbors:*

We founded The Dunkin' Donuts & Baskin-Robbins Community Foundation (DDBRCF) nearly 10 years ago because we wanted to provide more support to the neighborhoods we serve. Now, almost a decade later, Dunkin' Brands and our franchisees have been able to provide millions of dollars in financial support to local non-profit groups who are feeding the hungry, caring for sick children and ensuring the safety of others.

We made significant strides in addressing these local needs in 2015. Thousands of our employees, franchisees and their restaurant crew members volunteered at more than 70 food banks across the country during our annual Week of Service. We continued to expand our efforts to protect and care for children through programs like the 4Safety Initiative with Hasbro Children's Hospital and new patient facilities like The DDBRCF SUNY Medical Center Patient Care Room. Since 2006, The DDBRCF has granted \$11 million to fund organizations in the communities in which we operate.

These achievements were not accomplished alone. Our franchisees, along with our vendors and customers, have enabled us to have a growing, positive impact on our communities. We value this partnership and appreciate their efforts.

We will celebrate the 10th Anniversary of The DDBRCF in 2016, and we hope to mark that celebration with even more money raised, even more dollars granted and more volunteer hours given to support a host of worthy causes. Our commitment to our neighborhoods is stronger than ever, and we thank you for joining us on this ongoing, exciting journey. Together we can pave the way to a better future for our communities.

In Partnership,

# Putting Neighborhoods' Needs First

*At its core, Dunkin' Brands is a company of neighborhood businesses, powered by small business owners. Our franchisees love being an active part of their communities and are dedicated to giving back through charitable and in-kind contributions. In 2015, our franchisees gave **\$4.5 million** to countless local organizations that benefitted hunger relief, children's health, and safety initiatives.*

Our Dunkin' Donuts franchisees remain steadfast in their dedication to meeting their communities' needs. Among other examples:

- Indiana franchisees provided a special offer for veterans on November 11.
- New Hampshire franchisees funded a scholarship program for local high school seniors.
- Northeast franchisees funded 15 children's health organizations through their Iced Coffee Days.
- Houston franchisees partnered with local law enforcement to raise funds for Special Olympics Texas.

Our Baskin-Robbins franchisees worked tirelessly to contribute to their neighborhoods. They supported the United Service Organization (USO) by donating 11 cents from each scoop of ice cream sold in the U.S. on November 11. They also gave 20 percent of all cake sales from participating stores to the Doernbecher Children's Hospital in Oregon. These are just a few examples of many.

Our franchisees' efforts, in partnership with Dunkin' Brands and The Dunkin' Donuts & Baskin-Robbins Community Foundation, help deepen our impact in communities year over year.

The Dunkin' Donuts & Baskin-Robbins  
Community Foundation reached new  
milestones in 2015.

# Nourished Neighborhoods

*Nearly 48 million Americans, including 15 million children, live in food insecure households. The DDBRCF joined the fight against hunger nearly 10 years ago, and today, we remain firmly committed, providing grants and volunteers to feed the neediest among us.*

## 2015 NEIGHBORHOOD HIGHLIGHTS:

Nationally, we rallied over 1,600 employees, franchisees and partners to volunteer at 70 food banks during our National Week of Service.

Packed 1,644 backpacks providing 43,840 meals for children nationwide during a Brand Central volunteer day.

Supported more than 15 food banks with \$20,000 grants as part of our 3-year \$1 million grant to Feeding America.

**Meet Stacy Goetz, Dunkin' Donuts Operations Manager, Week of Service Champion, NJ.** "This time of year is difficult for the food bank to find volunteers as the weather is often times unbearably hot and the warehouse is not temperature controlled. Unfortunately, hunger does not take a vacation. The need for support is still great, and these food banks have more food than they can handle without the assistance of volunteers. With our help and the help of others, food banks can continue to distribute hundreds of thousands of pounds of food every month."

# Healthy Neighborhoods

*More than 27,000 youth are diagnosed with a life threatening illness annually in America. The DDBRCF provides critical funding to support children's hospitals and health programs for sick kids in need of care. This year, The DDBRCF awarded 68 children's health grants nationwide totaling nearly \$760,000.*

## 2015 NEIGHBORHOOD HIGHLIGHTS:

Funded the opening of the new DDBRCF Care Room for Children at SUNY Medical Center in Brooklyn, New York.

Reached 122,000 children in hospitals through Caitlin's Smiles art kits.

Developed the Athlete Leadership Program with Special Olympics to train young athletes to mentor their peers.

**Meet Michael Russo, Long Island Blues Special Hockey Team Coach.**

When Michael Russo is not busy working as Assistant Manager at Dunkin' Donuts, he is on the ice helping the Long Island Blues Special Hockey Team improve their playing skills and independence. Eleven years ago, Michael's parents started the Long Island Blues Special Hockey team to give his brother Nicholas, who has Down Syndrome, an opportunity to play the family's favorite sport. Thanks in part to a grant from The DDBRCF, today, more than 45 youth with varying disabilities are part of the team, learning hockey skills and having fun.

# Safe Neighborhoods

*We appreciate those who dedicate their lives to keeping our neighborhoods safe. The DDBRCF directed more than \$220,000 in 2015 to support those on the front lines, from America's servicemen and women to firefighters and police officers.*

## 2015 NEIGHBORHOOD HIGHLIGHTS:

Sponsored a five-day Leadership Training program for 24 firefighters and first responders in the Northeast through the Leary Firefighters Foundation.

Provided 17 local safety grants for Police Trauma Kits and Gear, through a nearly \$100,000 gift to the Spirit of Blue Foundation.

Supported three USO Chapters in their mission to provide morale, welfare and recreation-type services to troops and their families.

# Local organizations funded by The DDBRCF

*In 2015, The DDBRCF and its Regional Chapters donated nearly \$1.5 million to nearly 115 non-profit organizations across the country.*

The 6<sup>th</sup> Annual Southeast Dunkin' Cup raised nearly \$170,000.

The Northeast Chapter funded more than \$150,000 in local grants thanks to events like the Northeast Gala held in January.

The Mid-Atlantic Dunkin' Cup Golf and Cricket Tournament celebrated eight years, and has raised over \$1.58 million since its inception.

Community Cups® and Community Cones® raised an unprecedented \$1 million.

The Central East Chapter hosted their third WhirlyBall Tournament fundraiser with franchisees, employees and families.

Brand Central's Basket Fundraiser raised more than \$24,000 for The DDBRCF.

**Meet Curtis Roberts, Dunkin' Donuts Director of Operations in the Central East.** Curtis is the volunteer Co-Chair for the 10-state Central East region and The DDBRCF 2015 "Community Hero of the Year" Award winner. In 2015, he assisted in planning three events and helped increase fundraising by over 30%. Curtis helped restaurants in his market raise \$150,000 during the Community Cups® fundraiser and become the top performing market in the country. Curtis also motivated his team to become the leading Chapter in the Week of Service, engaging seven states and 280 volunteers, and processing nearly 90,434 pounds of food at local food banks.

## NEARLY \$1.5 MILLION IN GRANTS DISTRIBUTED IN 2015. WHO DID IT HELP?

The DDBRCF is committed to keeping administrative expenses under 15 percent so that the majority of funds raised supports local organizations in neighborhoods nationwide.

The 2015 financial statements are based on unaudited financials. A copy of complete audited financial statements prepared by KPMG is available upon request.

Thank you for serving  
and supporting our  
neighborhoods.
