

# 2014 Neighborhood Impact Report

# We are passionate about helping people – one neighborhood at a time.

## **TO OUR NEIGHBORS:**

*Dunkin' Brands is passionate about helping people – one neighborhood at a time. We're a global company, yet we remain rooted in the belief that charitable giving begins at home, in the communities, cities and towns in which we operate.*

Dunkin' Donuts and Baskin-Robbins franchisees around the world generously support their communities through sponsorships, product donations and volunteerism. This tradition of "giving back" is an inherent part of the culture at both Dunkin' Donuts and Baskin-Robbins. As evidence of that, from 2011 through 2014, in the U.S. alone, our franchisees donated more than \$20 million to non-profit groups. Additionally, our franchisees in the U.S., along with Dunkin' Brands, Inc., our employees, restaurant crew members, vendors and customers, have joined together to support non-profit organizations through The Dunkin' Donuts & Baskin-Robbins Community Foundation (DDBRCF).

Since its formation in 2006, The DDBRCF has awarded \$8 million in grants to local charities in the United States, and this past year was a record-breaking one for our Foundation. In addition to raising an unprecedented \$3.2 million in 2014, we launched our first national in-store fundraiser and hosted a National Week of Service, which engaged nearly 1,500 employees, franchisees and crew members in volunteer events at 50 food banks across the country. The DDBRCF also made a \$1 million, three-year grant — the single largest gift in our history as a Foundation — to Feeding America® to help combat childhood hunger in this country.

The pace of our progress as a Foundation speaks to the remarkable partnership of our franchisees, the corporation, employees, restaurant crew members, vendors and guests. By working together, we have been able to contribute to numerous non-profit organizations across the country, and we look forward to increasing these contributions in the future.

Our 2014 Neighborhood Action Report highlights both the work of The Dunkin' Donuts Baskin-Robbins Community Foundation as well as the work by individual franchisees to support the communities we serve.

Sincerely,

A handwritten signature in dark ink that reads "Nigel Travis". The signature is written in a cursive, slightly slanted style.

*From golf tournaments to lobster bakes, The DDBRCF, together with our franchisees and Dunkin' Brands employees, held more than 40 fundraisers in 2014 to support charitable organizations in our communities.*

Since 2006, we have raised **\$13.8 million** and in 2014 we raised a record **\$3.2 million**. Last year's results were driven in part by The DDBRCF's first in-store fundraising initiative, which raised **\$540,000** with guest support.

# Grantmaking

*In 2014, The DDBRCF donated nearly \$1.5 million in support of non-profit organizations across the country.*

We also expanded our national partnership with Feeding America through a \$1 million commitment over three years. Funds support Feeding America's Food Pantry and BackPack Program helping children and their families at local food banks across the country. This marked the largest donation in The DDBRCF history!

*"If we all commit to making a difference in our neighborhoods, we have the power to make a meaningful impact in the communities where we live and work."*

Mitch Cohen, Franchisee
